Friday Afternoon Movies

Movies will be shown in the community building on
the following Fridays at 1:00pm.

Snacks & refreshments will be served.

Friday, February 2—Groundhog Day

One of the acknowledged classics of American comedy,
"Groundhog Day" concerns TV weatherman Phil Connors, who is forced to
live the same February 2nd over and over again until he gains some
karmic -- and comic -- insight into his life.

Friday, February 9—A Man Called Ove

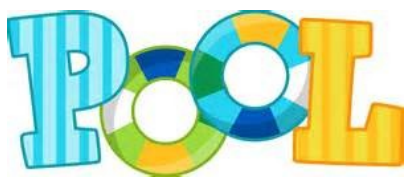

An isolated retiree, who spends his days enforcing rules that only he cares
about and visiting his wife's grave, has given up on life. Enter a boisterous
young family next door and from this inauspicious beginning an unlikely
friendship forms. What emerges is a heartwarming tale of unreliable first
impressions and the gentle reminder that life is sweeter when its shared.

February 16—Battle of the Sexes

The 1973 tennis match between Billie Jean King and Bobby Riggs became
one the most watched televised sports event of all time. King and Riggs
were on opposites sides of a binary argument, but off-court each was
fighting more personal and complex battles.

Friday, February 23—Dunkirk

In May 1940, Allied troops were trapped on the beaches of Dunkirk. Under
cover from British and French forces, troops were slowly and methodically
evacuated from the beach using every serviceable naval and civilian vessel
that could be found. At the end of this heroic mission, 330,000 French,
British, Belgian and Dutch soldiers were safely evacuated.
